Business

On January 3, 1974, Lodestar Mining Corporation (now Lodestar Investment Holdings Corporation) ("LIHC" or the Company") was incorporated in the Philippines and established initially as a mining and natural resources exploration company. The Company was engaged in the development of several gold and chromite mining claims in Masbate, Cebu, Negros Occidental and Palawan.

In 1988, the Company filed an application for listing of its 30,000,000 common shares with the Philippine Stock Exchange ("PSE") formerly known as the Manila and Makati Stock Exchanges. On October 11, 1988, the SEC issued to the Company a Certificate of Permit to Offer Securities for Sale and rendered the Registration Statement to be effective. The Company was able to complete its initial public offering and the listing of the Company's shares was made effective on May 26, 1989.

In October 2003, the name and primary purpose of the Company were changed to reflect a change from a mining company to an investment holding company.

On July 7, 2005, the Board of Directors approved the write-off of the aforementioned mining properties or claims in its financial statement as of June 30, 2005. The mining properties were reviewed as to impairment in accordance with SFAS 36/IAS 36: Impairment of Assets.

On 11 December 2015, during the Annual Stockholders' Meeting of the Company, the shareholders confirmed, ratified and re-adopted the 2009 Stockholders' approval of the increase in the authorized capital stock of LIHC. Said resolution was passed during the 17 December 2009 Annual Meeting wherein shareholders, holding at least 2/3 majority of the outstanding capital stock, voted in favor of the capital increase from one hundred million pesos (₱100,000,000.00) divided into one hundred million (100,000,000) shares at a par value of one Peso (₱1.00) per share to three hundred million Pesos (₱300,000,000.00) divided into three billion (3,000,000,000) shares at the reduced par value of Ten centavos (₱0.10) per share without stockholders' pre-emptive right.

On September 26, 2008, the Board of Directors authorized the Company to enter into a Heads of Agreement with Abacus Consolidated Resources and Holdings, Inc. ("ABACON") and Musx Corporation ("Musx") for the joint acquisition by the Company and Musx of all the outstanding and issued shares of Abacus Coal Exploration and Development Corporation ("ABACOAL") with a sharing arrangement of fifty five percent (55%) for Musix and forty five (45%) for the Company The Company and Musx have likewise entered into an Agreement for Joint Investment whereby the investment parameters for such investment into ABACOAL were set forth.

On May 21, 2009, the Company executed an Amendment to the Agreement for Joint Investment with Musx Corporation. The amendment primarily consists in the assignment to the Company of Musx's fifty-five percent (55%) interest in ABACOAL subject to the terms and conditions provided in the said agreement. As a result, the Company acquired the right to purchase one hundred percent (100%) of the shares of stock of ABACOAL which necessitated a bigger capital expenditure on the part of the Company.

On May 31, 2009, the Company executed a Memorandum of Agreement with Oriental Vision Mining Corporation ("Oriental") to undertake exploration and development activities of the coal properties of ABACOAL Under the agreement, Oriental shall develop and operate the Coal Property and pay the Company a royalty fee of Eight Percent (8%) of gross coal price per ton based on FOB loaded to vessel.

On July 21, 2015, the Company entered into Cancellation of the Heads of Agreement, Amended Heads of Agreement and Allied Contracts with Abacus Consolidated Resources Holdings, Inc. (ABACORE) and Abacus Coal Exploration and Development Corporation (ABACOAL). The cancellation was necessitated by the fact that the Merger with ABACOAL was not approved by LIHC shareholders for lack of quorum during the Annual Shareholder's Meeting called for the three (3) years prior.

The Company thus, no longer has any contractual interest over ABACOAL as a result of the cancellation of other Heads of Agreement and its allied contracts.

On October 25, 2016, the Board of Directors authorized the execution, delivery and implementation of the Subscription Agreement with Mr. Nathaniel C. Go for the subscription, via private placement, to two hundred sixty million (260,000,000) shares at the subscription price of ten centavos (₱0.10) per share. The subscribed shares were issued from the Company's current authorized capital stock of one hundred million pesos (₱100,000,000.00) consisting of one billion (1,000,000,000) common shares with a par value of ten centavos (₱0.10) per share. Likewise, on the same date, the Board of Directors authorized the execution, delivery and implementation of the Subscription Agreement with Ms. Socorro P. Lim, for the subscription, via private placement, to two billion (2,000,000,000) shares at the subscription price of ten centavos (₱ 0.10) per share. The subscribed shares were issued from the increase in the Company's authorized capital stock from one hundred million pesos (₱100,000,000.00) consisting of one billion (1,000,000,000) common shares with a par value of ten centavos (₱0.10) per share to three hundred million pesos (₱300,000,000.00) consisting of three billion (3,000,000,000) common shares, with a par value of ten centavos (₱0.10) per share.

On December 8, 2016, the stockholders representing approximately 67.23% of the outstanding capital stock of the Company affirmed, ratified and re-adopted the increase in the authorized capital stock of the Company which was approved by the Board of Directors on November 6, 2009 and by shareholders owning and representing more than 2/3 of the authorized capital stock on December 17, 2009. The stockholders in the same manner, approved the sales and issuance of a total of two billion two hundred sixty million (2,260,000,000) common shares, listing of said shares in the Philippine Stock Exchange ("PSE") and waiver of the requirement to conduct a rights or public offering of the shares approved by a majority vote representing the outstanding shares held by the minority present or represented in said meeting.

On June 14, 2017, the Securities and Exchange Commission approved the increase of the Company's authorized capital stock.

On April 5, 2023, PSE listed additional 2.36 billion shares.

On September 22, 2025, Lodestar's stockholders approved the following:

6. FINANCIAL INSTRUMENTS

6.1 Carrying Amounts and Fair Values By Category

For Company's financial assets and financial liabilities as of September 30, 2025 and December 31, 2024 that are carried at amortized cost, management has determined their carrying amounts approximate or equal their fair values due to their short-term nature. Accordingly, a comparison of their carrying values and fair values is no longer presented.

6.2 Fair Value Hierarchy

In accordance with PFRS 13, *Fair Value Measurement,* the fair value of financial assets and financial liabilities and non-financial assets which are measured at fair value on a recurring or non-recurring basis and those assets and liabilities not measured at fair value but for which fair value is disclosed in accordance with other relevant PFRS, are categorized into three levels based on the significance of inputs used to measure the fair value. The fair value hierarchy has the following levels:

Level 1 : quoted prices (unadjusted) in active markets for identical assets or liabilities that an entity can access at the measurement date;

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e., derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The level within which the asset and liability is classified is determined based on the lowest level of significant input to the fair value measurement.

For purposes of determining the market value at Level 1, a market is regarded as active if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

6.3 Financial Instruments Measured at Amortized Cost for which Fair Value is Disclosed.

The carrying values of the Company's financial instruments carried at amortized cost approximate or equal their fair values, accordingly, no further analysis of fair value in the hierarchy is presented. Nevertheless, among them, on cash is considered Level 1; all the rest are determined to be Level 3 in the fair value hierarchy.
