PART 1 – FINANCIAL INFORMATION

ITEM 1. FINANCIAL STATEMENTS

The accompanying report of Island Information & Technology, Inc. comprise the unaudited condensed consolidated financial statements for the three months ended July 31, 2025 and have been prepared in accordance with the Philippine Accounting Standard 34, Interim Financial Reporting and hence do not include all of the information required in the October 31, 2024 annual audited financial statements. Please see Annex “A”.

ITEM 2. MANAGEMENT’S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following is a discussion and analysis of Island Information & Technology, Inc.’s financial performance for the nine months ended July 31, 2025. The Company’s MD&A should be read in conjunction with its unaudited consolidated financial statements. All financial information is reported in Philippine Pesos (Php).

OVERVIEW OF THE BUSINESS

Island Information & Technology, Inc. (“Island” or the “Company”), formerly known as Island Mining and Industrial Corporation, was incorporated on December 10, 1959. It was primarily established to undertake discovery and exploration of oil and mineral development projects. On February 9, 1970, the Company’s shares were listed on the Manila and Makati Stock Exchanges. The Company’s management decided to suspend its mining exploration operations on November 28, 1981 due to, among others, the increasing cost of operations.

In May 2000, the Company’s stockholders approved to change: (a) the name of the Company to Island Information & Technology, Inc., and (b) its primary purpose from that of a mining company to the business of information technology services. The Company made this move to transition itself to the information age. On September 11, 2000, the SEC approved the amendments to the Company’s Articles of Incorporation and By-laws.

On September 30, 2009, the SEC approved the amendments to the articles of incorporation, amending Article IV by the extension of the corporate life of the Company for another 50 years or until the year 2059.

At present, the Company has minimal operations. The revenues generated by the Company are not sufficient to cover all operating costs and expenses. As a result, the Company posted losses, and has accumulated retained deficits thus causing it to post negative shareholders’ equity as of July 31, 2025.

Company Description

The Company stopped its mining operations in 1981. Since then, the Company has been maintaining its operations on a limited budget.

In 2005, the Company entered into a service agreement with Cypress Manufacturing Philippines Ltd. to provide it with technical services such as computer hardware, software programs, and communication facilities repair. The service agreement with Cypress Manufacturing (Phils.) Ltd. was terminated upon mutual consent of both parties effective February 2007.

The Company sub-contracted these technical services to Exponent Enterprises. The sub-contract with Exponent Enterprises is covered by the Company's maintenance service agreement with the latter on the maintenance and technical services on computer and related equipment installed at the Company's premises and other installations connected with the Company's operations. According to the maintenance service agreement, the Company shall pay Exponent Enterprises on a per project accomplished basis. This maintenance service agreement was discontinued upon mutual consent by both parties effective February 2007.

Competition

The Company has a condominium unit, which is being rented out to VASIG ABARQUEZ LUMAUG ABARQUEZ PUNO LAW OFFICES. Other than leasing a portion of its office space to augment a portion of its administrative expenses, the Company has yet to engage in a profitable business.

Principal Suppliers

The Company has no existing supply contracts with any supplier.

Dependence on a few customers or a single customer

The Company is not dependent on a single or few customers.

Transactions with and/or Dependence on Related Parties

The Company has no other transactions with any related party.

Patents, Trademarks, Licenses, Franchises, Concessions, Royalty Agreements, or Labor Contracts

The Company has no existing applications for patent, trademarks, copyrights, licenses, franchises, concessions or royalty agreements.

Government Approval of Principal Products or Services

The Company does not have any pending government applications for government approval.

Effect of Existing or Probable Government Regulations on the Business

The Company is not aware of any pending legislation or government regulation that is expected to materially affect its business. There is no effect of existing or probable government regulations on the business.

Amount spent on development cost activities, and its percentage to revenues during each of the last three fiscal years

The Company has not implemented any development activity in the last three (3) fiscal years or more.

Properties

The Company owns a 257-square meter condominium unit located at the Vernida 1 Condominium at 120 Amorsolo St., Legaspi Village, Makati City.

The Company also owns a 240-square meter property located at the municipality of Antipolo, Province of Rizal, Philippines.

All these properties are in good condition and none of them is mortgaged or encumbered.

The Company currently generates income from leasing its condominium property located at the Vernida 1 Condominium at 120 Amorsolo St., Legaspi Village, Makati City in 2023.

FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The accompanying financial statements have been prepared assuming the Company will continue as a going concern. However, the Company had been incurring losses for the past years which resulted to deficit of P158,117,785, P157,815,680, and P157,588,741, as at October 31, 2024, 2023, and 2022 respectively, resulting to a negative net worth of P109,260,298, P108,958,193, and P108,731,254 as of October 31, 2024, 2023, and 2022, respectively.

As at third quarter ending July 31, 2025, the Company incurred a net loss of P339 thousand as compared to P33 thousand in the same quarter the previous year. This resulted to an increase in negative net worth to P109M.

At this time, the Company is still non-operational as management studies best course of action. It is worth noting that the Company does not have significant debts to pay.

For the past five (5) years, the Company's management had been in search for possible joint ventures and/or other investors for a potential profitable business.

The Company's authorized capital stock is already fully subscribed and paid-up. In a special meeting of the Board of Directors last October 30, 2015, the Company approved the increase in capital stock of the Corporation to P50M divided into 5B shares with a par value of (P0.01) each. This has yet to be ratified by the Company's stockholders.

While waiting for a prospective investor or viable business endeavor, the Company, through its shareholder has access to resources and readily grants advances to the Company to cover its working capital requirements when needed. As of reporting date, there is no advances granted by the company's shareholders for the years 2024 and 2023.

While the Company is still firming up plans on its investment activities for the year, there are no significant activity during the third quarter.

3rd Quarter 2025 Financial Condition

Financial Condition as at 31 July 2025 compared to as to 31 October 2024

The following discussions and analysis are based on the financial statements for the quarter ended July 31, 2025 and October 31, 2024.

The Company posted total assets of P 19,148,518 as of July 31, 2025 compared to P18,759,056 as of October 31, 2024. The increased of % was due to receivables and other current assets of P389 thousand as of the 3rd quarter of 2025.

Cash increased by P170,547.89 or 6% due to additional advances from related party during the 3rd quarter of 2025.

A major item in other payables includes the accrual of expenses and security deposit aggregating to P215,880 as of the 3rd quarter of 2025.

The Company's capital stock and additional paid in capital have no movement from October 31, 2024 until July 31, 2025.

3rd Quarter 2025 Results of Operation

The Company incurred a net loss of Php339 thousand as of the 3Q ended July 31, 2025. In the same period the previous year, the Company likewise incurred a net loss of P33 thousand and there are no revenue generated.
